

Selection

Choose an extinguisher based on fire size, floor area and these fire classes:

- A:** Material like wood, paper and cloth
- B:** Liquids like gasoline, propane and paint
- C:** Electronics like appliances and computers

Servicing & Training

- Make sure extinguishers are fully charged and train employees to use them
- Qualified companies must regularly service extinguishers
- Tags should indicate when and what services were performed

Location

- Wall-mounted and easily visible
- Place signs above them in clear view

Operation

Just remember the word "PASS":

- P** Pull the pin
- A** Aim nozzle at the flames' base
- S** Squeeze trigger, keeping the extinguisher upright
- S** Sweep from side to side 'til the fire is completely covered
